Business Opportunities Seminar with Multilateral Development Banks

Winnipeg

The Business Opportunities Seminar is an event aimed at companies, institutions and individual consultants interested in working on projects with the African Development Bank (AfDB), Asian Development Bank (ADB), Caribbean Development Bank (CDB), Inter-American Development Bank (IDB), and World Bank Group (WB).

Participants will learn about upcoming business opportunities, hear from successful companies, and get information needed in order to improve their competitiveness.

There will also be an opportunity to network with officials from the various Multilateral Development Banks (MDBs) and provincial and federal trade officers.

Cost: Free – (advance registration required). To register, please email names / titles and contact information (email / phone) and company name of those in your organization that will be attending to the contact below. Additional details to follow.
