

**Advanced Manufacturing
Buyers' Guide Directory **On-Line** Listing **FREE Update!****

Do you answer YES to any of the following?

1. I target one or more of the following industry sectors: aerospace; agriculture; building products; construction/off-highway; industrial; recreational vehicles; transportation; or industry support/services.
2. My Manitoba-based company manufactures/supplies whole goods; components; sub-assemblies; spare parts; precision services.
3. I focus on the grain-based, value-added chain – i.e., manufacturing; process technology; consulting engineers; regulatory agencies; turnkey construction; value-added processing; training and education; commodities; transportation and marketing.
4. My Manitoba-based organization provides industry support important to business development and marketing, or market development.

If you do ...
