

European Union Export Business Forum CETA: Expanding Your Business Horizons

Global Affairs Canada and Manitoba Trade and Investment are pleased to host two (one in Brandon and one in Winnipeg) European Union Export Business Forums featuring presentations on the Canada-European Union Comprehensive Economic and Trade Agreement (CETA) and market opportunities in the European Union.

Join experts and business leaders who will provide you with:

- An in-depth summary of the opportunities available through CETA to help you become more competitive in the European Union (EU) market;
- Information about specific market opportunities in key industries;
- Market development advice and programming information; and
- One-on-one pre-arranged meetings with EU trade experts about your company's specific market approaches and opportunities.
